## TEQUILA 100% AGAVE

AGED FOR 9 YEARS

### COLOR

Dark amber with copper shades.

### AROMA

Intense and refined toasted hazelnuts and almonds aroma, vanilla with a persisting cooked agave and smooth chocolote notes.

### BODY

Creamy with a delicate texture

### TASTE

Due to their balanced 9 years aging in american and french white oak barrels with canadian oak chips, the notes of wood, cooked agave, vanilla, hazelnuts and roasted almonds, black olives and chocolate become much more intense. Strong flavor leaving it all on the palate.
